PipeHawk Plc
(“PipeHawk” or the “Company”)

Further re. Grant Application

Further to the announcement on 15 December 2016, the Company announces that its re-submission of its application for the Phase 2 H2020 funding to assist with marketing and distribution of its eSafe product, which was submitted in January 2017, was unsuccessful, with a score that was marginally below the required level. In the knowledge that the initial grant received in December 2015 was obtained on the third attempt, the Company will be considering with its professional adviser whether to re-submit the application for next round of funding.
