**Contract wins for QM Systems**

In the Chairman's Statement accompanying the Interim Results issued on 20 March 2017 it was stated that at QM Systems there were a number of significant contracts awaiting award over the coming weeks. The Company is pleased to announce that three such orders have now been received with contract values in the range of £100,000 - £250,000 and that total orders received by QM Systems since the announcement of the Interim Results amount to £662,000.

In addition, the enquiry pipeline remains very strong and the Directors remain confident that the increased order intake will be maintained throughout the remainder of this financial year.
